Thuthugani Management Giving Back For Mandela Day

Thuthugani Contractors Paulpiet management attended a Mandela Day commemoration event at Mshiyeni Daycare Centre at Nooitgedaaght, which was organized by Mondi South Africa. The special guests who were present came from the Department of Social Development, Department of Health, eDumbe Municipality, Anesco Toyota and other Mondi Contractors.

The daycare caters for children aged between six months to four years old. Thuthugani management supplied the daycare with educational gifts, with the hope that they would inspire them as leaders of the future.

Official Introduction of Provident Fund for Thuthugani Contractors Employees

Thuthugani Contractors has completed the rollout of the provident fund. On the 13th of July 2023 a representative from Bay Union conducted a presentation at Toverton, Eesterling and Pivaanspoort. The presentations were aimed at enlightening the employees on the benefits of the Momentum Umbrella Provident Fund. The fund allows employees to invest towards their future retirement. Thuthugani Group management is pleased that the provident fund has been rolled out to all employees within the group.

Dumbe Area Annual Fire Break Burning Competition

Thuthugani Contractors and Mondi hosted the annual fire break burning competition which was based on first completion of fire break burning without any jumps and least affected area/ jump. On the day, all working plan units (WPU) competed through an exhibition of best firefighting techniques in a fire simulation. Mondi fire specialists and Safety practitioner participated as judges for the fire simulation. Thuthugani Group Directors, Mondi Area Manager, Mondi Continuous Improvement Manager, Mondi BUC Technical transfer specialist, and the new Mondi Silviculture specialist graced the event with their presence.

An addition to this years event was the stakeholders participation which included the following: Lesh, Lottenburg, Forest Pro, Volkswagen and Avbob were also present to support the initiative and celebrate our teams achievement and hard work. They displayed their stands demonstrating their collaboration with our business. The event also allowed students to attend and get more exposure on the forestry field. As the aim incorporated an intention to spark an interest in forestry from these young stars.

Pivaanspoort WPU walked away with the 2023 season trophy and a sheep having completed their fire break burning program first with least affected area from fire jumps. Eersteling WPU took second place, received a sheep for their commitment and skilful firefighting simulation on the day. They showed resilience and exceptional team work. Congratulations to both the winning teams.

Special recognition awards were issued to the following employees:

- Best First Aider: Amos Mdlalose
- CAFs Drivers: Muziwakhe Buthelezi, Mduduzi Mnguni, and Thembinkosi Nhleko

Winning team - Pivaanspoort WPU with their prize
