

Siyakhula Forestry Contractors Celebrates Safety Achievement

Siyakhula Forestry Contractor (Pty) Ltd, Hodgson team recently celebrated their safety achievement of two million man hours LTI free. The celebration was held together with SAPPI Southern Africa and other contractors that make up the Umvoti North team. The two million hours were contributed by all the contractors in the Umvoti North area. An agreement was signed to by our Siyakhula Forestry Contractors team and other members of the Umvoti North region, as a promise to adhere to safety standard that will ensure that the set target of reaching four million man hours LTI free is attained.

Siyakhula management award the best SHE rep, first aider, supervisors and driver who had performed well and encouraged them to continue the good work.

Thuthugani Contractors Maintains NOSA Five Star Rating

Thuthugani Contractors Paulpiet has recently undergone a NOSA CMB 283 Audit which was held on the 31st -1st of February 2024. The main aim of this audit is to determine whether the company has identified and assessed all relevant SHE risks to its operations, ascertain whether systems are in place to address the SHE risks identified, determine the level of conformance to the management system with regards to: relevant legislation; risk exposure; company standards and procedures and the audit protocol. Lastly the audit verifies the effectiveness of the implemented systems in meeting the specified SHE objectives.

It is pleasing to announce that TTG Paulpiet team maintained their NOSA 5 STAR Rating for the 5th time. Congratulation to the entire team for their effort in ensuring the audit is a success, well done to Sanele for his leadership.

Thuthugani Contractors Gives Back To The Community

Thuthugani Contractors undertook their 2023 CSI contribution at the beginning of 2024, where the Paulpiet team supported a local socio-economic development project called Filter WJ Poultry Farm Co-Operation.

In support of this poultry farm project, the organization sourced and purchased 155 layer hens and cages. The project was a huge success and has allowed the beneficiaries to benefit economically from this project.

Thuthugani Contractors Management Team Unwinds at Jozini

Thuthugani Contractors took part in a Jozini dam team building trip that was organized by the client (Mondi), on the 21st – 23rd January 2024. The team building event included all contractors operating under the Mondi Paulpiet area. Our director, Nicky Gwende joined Thuthugani Paulpiet team and also participated in the team building session and he caught one of the biggest fish during fishing games.
