Supervisor Development Programme (SDP) Graduation

Thuthugani Contractors management and directors were invited to the SDP graduation which took place on the 7th of September 2023. The ceremony celebrates supervisors who have successfully completed SDP programme. For many of our supervisors this is a milestone in their lives and certifies them as qualified supervisors who are ready to engage within our operations.

Our supervisors were awarded their certificates of competency. Thuthugani group of companies would like to congratulate the following graduands on their achievement: Jabulile Buthelezi, Sifiso Zikalala, Lucky Sibiya and Zamanthungwa Khumalo.

Graduates of the Supervisor Development Programme

ACG SS Management Giving Back To The Community of Ixopo

ACG Shared Services management team together with SAPPI participated in a community drive at Masana Community Creche. The initiative involved conducting repairs and maintenance to give the creche building new life. The day was a great success and the ACG SS team is looking to get more involved in other upcoming community based initiatives.

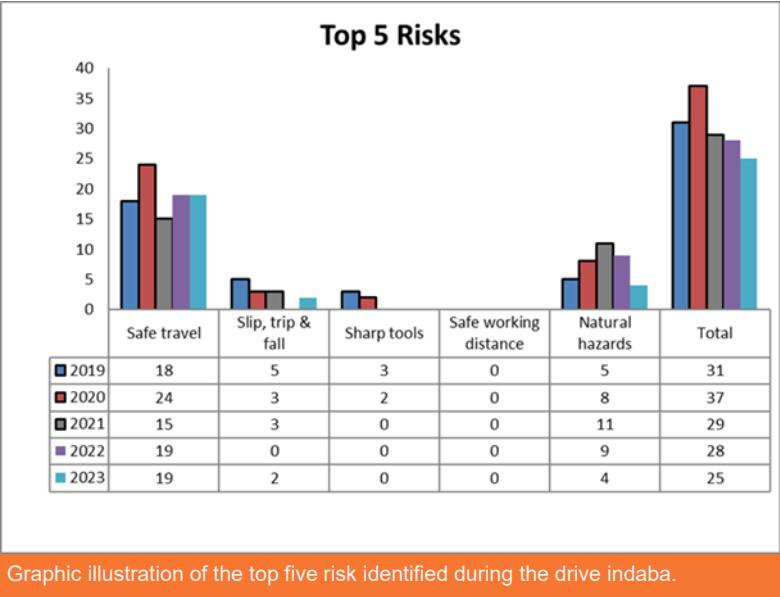

Driver Indaba and Safety Driver Campaign Success at Paulpiet

Thuthugani Contractors Management held its second driver indaba for the year with focus on driver and vehicle safety. This was to elaborate on incidents and fleet management. The following topics were addressed:

Speeding behaviour and report, driver stats and vehicle incidents, Sectional behaviours and equipment handling, Radiator cap incident recall with all drivers and operators (Volvo). Lastly, an action plan with remedial actions to reduce the incidents for 2023 by the drivers was drawn up.

On the 14th –15th of September 2023 Thuthugani Contractors together with Mondi hosted a Safety Driver Campaign which conducted with the aim of educating our workforce on workplace travel hazards being an inherent fatal risk within our operations. We are further challenged by deteriorating road conditions and reckless behaviour of third-party drivers. The campaign was to re-enforce safe driving behaviour and the focus on safety of vehicles and health of the drivers operating them.
